

## SUMMER CAMP RULES

- 1. SAFETY.....** Everything at the Mitchell Spearman Summer Camp happens in consideration of SAFETY. It is the most important rule to follow no matter what the situation. On the driving range it is essential that you only swing in designated hitting areas. **NO GOLF CLUBS WILL BE SWUNG OUTSIDE OF THE HITTING AREA. NEVER WALK IN FRONT OF THE DRIVING RANGE MATS.** In the short game area, never swing the club above your waist. You should practice chipping in a designated area only and with instructor or assistant approval.
- 2. FOLLOW RULE #1!!!**
- 3. RESPECT.....** Please show respect towards all of the instructors and fellow golfers/camp participants. Treat others the way you would like to be treated. Remove headgear (caps and/or visors) and shake hands after all matches/contests. Take care of the golf course and clean up after yourself during lunch.
- 4. PROTECT THE GOLF COURSE.....** When playing on the golf course, please replace all divots and repair all ball marks. Disrespecting the golf course will not be tolerated. There is also no running on the golf course.
- 5. CLEAN UP.....** Please leave areas better than you find them, picking up after yourself and putting all garbage in the appropriate trash cans.
- 6. DRESS CODE.....** Collared golf shirts are required at all times and they should be tucked in during camp hours. We also ask that you refrain from wearing hats at the lunch table and when inside the office.
- 7. NO FOUL LANGUAGE.....** The Mitchell Spearman Junior Golf Camp has a zero-tolerance policy for foul language.
- 8. GOLF CARTS.....** On golf carts a maximum of two golfers are allowed with an instructor. Everyone must stay seated at all times. No golfers should touch the gas, brake pedals, or the steering wheel. There will be no riding on the back of carts.
- 9. GOLF BAGS.....** Bags should be left in the designated areas and never unattended.

**10. NO CAFFEINE..... Carbonated, caffeinated beverages inhibit the learning process by affecting the amount of attention a golfer can apply to a given task and physically causing unwanted and unneeded muscle and nerve responses. Soda, pop, energy drinks, and artificially sweetened beverages such as, for example, Pepsi or Coke, should not be consumed during camp hours. Also, we ask that NO CHOCOLATE or sugary sweets are present during camp (for the same reasons).**

**11. CELL PHONES..... Phones may be used before camp, during lunch, and after camp. All other times phones must be turned off and kept in the golf bag.**
